

SPROWL FUNERAL & CREMATION CARE

Notice To All Families & Guests

A Coronavirus (COVID-19) Message from the owners of Sprowl Funeral & Cremation Care - Lloyd Sprowl & Lori Hobbs

Because we value the health and safety of the families we serve and that of our staff, we want to reassure you that Sprowl Funeral & Cremation Care has taken meticulous steps to protect everyone that enters our doors in the face of the coronavirus threat, also known as COVID-19. Because the State of Indiana has adopted the CDC's recommendation that all public gatherings be restricted to 50 or less, Sprowl Funeral will adhere to the States recommendation for funeral services and visitations until further notice and security will be provided to adhere to this.

We have always been proud of the cleanliness of our facilities and keeping them clean and sanitized is even more important now. So, we have increased our efforts to clean and sanitize every area in our facilities frequented by the public and our employees.

In addition, all staff will continue to follow CDC best-practice guidelines to prevent the spread of viruses and we encourage our families and guests to do the same: ***Stay at home if you are sick. Wash hands frequently. Cover mouth with tissues when coughing or sneezing. Avoid people who are sick with respiratory symptoms.***

- We use cleaning and disinfecting protocols to clean our chapels, lounge and restrooms before and after each service with particular attention paid to high touch items like knobs, faucets, chairs and other communal areas.
- Proper and frequent hand washing is vital to help combat the spread of viruses. Our teams are committed to this simple act of ensuring this level of cleanliness multiple times a day for the safety of all.
- In an effort to minimize direct contact, we ask that you consider avoiding shaking hands or physical contact with the members of the family or other guests. Direct Eye Contact, Loving Words, and a Warm Smile can be as meaningful to the families as a traditional handshake or hug, especially during these difficult times.
- If you desire to make remote arrangements, feel free to contact us at 317-384-1859
- We will be offering livestreaming for services held in the Sprowl Chapel. Please take care of yourself and one another! We are a resilient people and now, more than ever we are so appreciative of each and every one of you. **BE WELL!**
